

For more information about Holland Hospital, visit us online at hollandhospital.org.

Nationally Recognized Quality

Built upon a 90-year tradition of medical excellence and outstanding patient service, Holland Hospital continues to meet the needs of the Lakeshore community with expanded facilities and advanced technology. Recognized for providing high quality care in a caring environment, Holland Hospital's numerous national quality awards include Thomson Reuters "100 Top Hospitals" for four consecutive years, and the prestigious Magnet Hospital designation from the American Nurses Credentialing Center.

Expert Care

Holland Hospital provides access to more than 320 physicians in over 34 medical specialties. Exciting advancements in non-invasive cardiology, neurosurgery and interventional radiology are now available to Lakeshore residents, close to home.

Our expertise in surgical services, obstetrics, cardiology, neurology, emergency services, intensive care, rehabilitation, home health and behavioral health is accompanied by advanced technology, sophisticated medical imaging, laboratory services, nuclear medicine and more. Holland Hospital also provides community education and specialized outpatient centers for urgent care, women's health and sleep disorders.

Expanded State-of-the-Art Facilities

- 8-bed ground-floor Intensive Care Unit and 22-bed Telemetry Unit – all private rooms equipped with the latest monitoring technology.
- 16-bed Behavioral Health Inpatient Unit – the only inpatient psychiatric provider in Ottawa and Allegan counties.
- Emergency Department with 43 private treatment rooms.
- Boven Birth Center and Special Care Nursery for advanced perinatal and specialty newborn care featuring on-site pediatric hospitalists.
- State-of-the-art Laboratory Services and specialized Pharmacy Services.
- Tranquil walking paths, Healing Garden and Chapel of Hope to support healing of mind, body and spirit.
