

# Lights of love

Lights of Love is a heartfelt fundraising campaign by the Holland Hospital Volunteer Council. Each donation honors the memory of a cherished loved one or is made in appreciation of a special business or group. For 39 years, your support has shone brightly, funding vital items and services that bring comfort and healing to Holland Hospital patients and their families.

## Thank you!

This year's donors raised \$16,240 to provide an additional touch of care to those we serve.
